

# DOUGLAS C. ALLEN, P.A.

*Managing Risk. Moving Business Forward.*

Douglas Allen is President and Managing Principal of **DOUGLAS C. ALLEN, P.A.**, a professional services corporation he formed in 1994. Doug has over 25 years of environmental consulting experience for complex, high stakes commercial transactions, matters, and disputes. Prior to forming his own firm, Doug was an environmental consultant for Asea Brown Boveri (ABB) where he conducted and managed a range of environmental activities from due diligence assessments for commercial property transfers to multi-discipline multi-million dollar investigation, remediation and construction projects.

In addition to his consulting and management experience, Doug has over 15 years of substantive knowledge and practical experience in all phases and forms of civil dispute resolution processes from facilitated negotiation to litigation. He has served as a consulting expert, testifying expert, neutral expert, and co-mediator in environmental cases involving bankruptcy and restructuring, mergers and acquisitions, insurance recovery and risk transfer, allocation and cost recovery, and environmental mass and toxic tort. He has also provided dispute resolution services for cases involving computer software, construction, intellectual property, product and professional liability, and telecommunications.

Doug has a Bachelor of Arts degree in the biological/biomedical sciences from the University of Vermont, and Bachelor of Engineering and Master of Engineering degrees from the Thayer School of Engineer at Dartmouth College. Doug has also received formal training in mediation from JAMS (where he was a former panelist) and in arbitration from the American Bar Association. He is a licensed professional engineer, and a registered patent agent with the U.S. Patent and Trademark Office.

A detailed curriculum vitae and references are available upon request.
